

Sutton Park Gates Run 2022

Organiser's Comments

Thanks to everyone who came to run round our lovely park. I think it made a change for the orienteers who had more of a straight run, and for the runners who had a taste of orienteering because of the route choice needed between the gates.

A big thanks to the volunteers without whom the run couldn't have taken place. We had a good turnout of runners, which makes a busy time for us, but well worthwhile.

This run has been going since 1968, and we've got results for every year except 1984. If you have a copy of results from that year, I'd be grateful if you could help us fill the gap. We'll be uploading all the results to our website in the near future.

Next year the run will be on Wednesday 28th June, 2023. Put it in your diary now and tell your friends.
